Petition of the Verizon Local and Long Distance Telephone Companies for Interim Waiver of and Forbearance from Certain Dominant Carrier Regulations for In-Region, Interexchange Services, WC Docket No. 06-56

2006 Biennial Regulatory Review of Regulations Administered by the Wireline Competition Bureau, WC Docket No. 06-157

In the Matter of IP-Enabled Services, WC Docket No. 04-36

Dear Ms. Dortch:

Today, Mr. Ed Shakin, and I met with Mr. Nick Alexander of Commissioner Tate's office regarding the above proceedings. We emphasized that since the initiation of the proceeding (Docket No. 02-112) that addresses what, if any, requirements should be imposed in a post 272 Sunset environment there have been significant developments in the communication industry. These include the fast growing competition for voice services and the deployment of advanced broadband networks which are increasingly agnostic with regard to geography. We provided copies of the Verizon ex partes filed on February 15 and March 29.

Please let me know if you have any additional questions.

Sincerely,

A handwritten signature in black ink that reads "Dee May".
